

AIROMA is specially formulated to help neutralise unpleasant odors and provide instant freshness in homes, offices, restaurants, hotels and other indoor spaces.

Its unique blend of high-quality fragrance oils delivers a pleasant, long-lasting fragrance. The dry aerosol formulation helps prevent staining when used as directed.

Directions for Use

- Shake the can well before use.
- Hold the can upright.
- Point the nozzle away from your face and body.
- Spray upwards towards the center of the room for a few seconds.
- Allow the fragrance to disperse throughout the space.
- Do not spray directly onto people, pets, food, utensils, eyes or mouth.

Caution

- Flammable aerosol. Contents are filled under pressure.
- Keep away from heat, sparks, open flames, hot surfaces and other sources of ignition.
- Do not smoke while using the product.
- Do not spray on an open flame or any source of ignition.
- Do not puncture, pierce, crush or incinerate the can, even when empty.
- Protect from direct sunlight and do not expose the can to temperatures above 50°C.
- Avoid breathing the spray directly.
- Avoid contact with the eyes and skin.
- Use only in well-ventilated areas.
- Keep away from food, beverages and animal feed.
- Keep out of reach of children and pets.
- Use only as directed.

First Aid

If in eyes: Rinse cautiously with plenty of clean water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Consult a doctor if irritation persists.

If on skin: Wash the affected area thoroughly with soap and water. Seek medical advice if irritation develops or persists.

If inhaled: Move the affected person to fresh air and keep them comfortable. Seek medical attention if coughing, dizziness, breathing difficulty or irritation occurs.

If swallowed: Rinse the mouth. Do not induce vomiting. Seek immediate medical advice and show the product container or label.
